

Excessive Expenditures Policy

EXCESSIVE EXPENDITURES POLICY

PURPOSE

The purpose of this policy is to establish parameters and internal controls governing the expenditures of the Credit Union (together with its subsidiaries and controlled affiliates, referred to hereafter as the Organization). Expenditures of the Credit Union should be customary, prudent, consistent with applicable laws and regulations, and reasonably related to the Credit Union's business objectives and needs. This policy identifies expenditures that are excessive or luxury expenditures, creates processes that are reasonably designed to eliminate such expenditures, and establishes accountability for compliance. Routine operating expenses, capital expenditures, and other reasonable expenses are not prohibited by this policy.

AUTHORITY

The Credit Union has authority to provide compensation and benefits that are reasonable. This policy establishes a prohibition on expenditures that are excessive or luxury expenditures as required by the Department of the Treasury's Emergency Capital Investment Program regulations (31 CFR Part 35), and as may be required by other statutes and regulations.

RESPONSIBILITY

This policy is the responsibility of the Board of Directors. The Board has approved this policy and will review compliance with this policy no less frequently than annually, and summary data on excessive or luxury expenditures will be reported to the Board as part of the compliance review.

SCOPE

This policy applies to all employees, officers, and directors. In making any expenditure on behalf of the Credit Union, employees, officers, and directors should consider whether the expenditure is an excessive or luxury expenditure that is prohibited under this policy.

EXCESSIVE OR LUXURY EXPENDITURES

"Excessive or luxury expenditures" means excessive expenditures on any of the following to the extent not reasonable or appropriate expenditures for business development, staff development, reasonable performance incentives, or other similar reasonable measures conducted in the normal course of the Credit Union's business operations:

(1) *Entertainment or events*. This category includes fees, dues, tickets costs related to social, athletic, artistic and dining clubs, activities, celebrations or other events, and similar expenditures. Expenditures for charitable contributions and charitable events are not prohibited under this policy. Expenditures for trade association events (such as Kauai Chamber of Commerce or Hawaii Credit Union League events) are also not prohibited under this policy. Entertainment or events expenditures in an amount less than \$1,000 per instance, and \$2,000 on an annual aggregate basis per individual, are exempt from this policy.

(2) *Individual office/workspace renovations*. This category includes costs and allowances for individual office/workspace renovation, including expenditures related to furniture, art, office personalization, interior finishing, design and decoration, and similar expenditures. Office and facility renovations expenditures in an amount less than \$500 per instance, and \$2,000 on an annual aggregate basis per individual, are exempt from this policy.

(3) *Aviation or other transportation services.* This category includes charter fees, tickets, slip or docking fees, vehicle installment payments, reservation and travel agent expenses, and similar expenditures associated with transportation services (e.g., airline, train, rental cars, or vans). Mileage reimbursable according to current Internal Revenue Service mileage rates is exempt from this policy. Transportation services in an amount less than \$7,000 per instance, and \$20,000 on an annual aggregate basis per individual, are exempt from this policy. Refer to the travel policy for processes related to the reimbursement of reasonable travel expenses.

(4) *Tax gross-ups.* This category includes any reimbursement of taxes owed with respect to any compensation. Year-end or holiday bonuses for staff in an amount less than \$5,000 per individual are exempt from this policy. This category does not apply to tax equalization agreements for employees subject to tax from a non-U.S. jurisdiction.

(5) *Other similar items, activities, or events for which the Organization may reasonably anticipate incurring expenses or reimbursing an employee for incurring expenses.* Expenditures related to other items not listed in the preceding categories are exempt from this policy in an amount less than \$5,000 per instance, and together with all expenditures permitted under this policy, may not exceed \$20,000 on an annual aggregate basis per individual. For the avoidance of doubt, reasonable capital investments in technology, equipment, and similar items that expand the long-term capability of the Credit Union to provide products and services to its members and community are not excessive or luxury expenditures. The principal executive officer may establish or delegate to an appropriate executive officer the authority to establish processes for the evaluation and approval of expenditures in the preceding categories that are not luxury or excessive expenditures and that are not otherwise exempt from this policy. These processes must be reviewed by executive management no less frequently than annually, as well as any additional threshold expenditure amounts per item, activity, or event, or a threshold expenditure amount per employee receiving the item or participating in the activity or event under this policy. Such approvals must be reported to the Board of Directors (which may be in an appropriate summary form) no less frequently than annually.

EXCEPTIONS OR VIOLATIONS

Any exception or violation of this policy must be promptly reported to the Credit Union's CEO, any other C-Suite Executive, or the Supervisory Committee Chair, as appropriate. Exceptions and violations must be reported to the Board of Directors no less frequently than annually, or more frequently as the nature and severity of violation may warrant. All employees, officers, and directors of the Credit Union must adhere to this policy and will be held accountable for compliance. Any employee or officer who violates this policy may be subject to disciplinary action up to and including termination of employment. Any employee or officer that is aware of any circumstance that may indicate a violation of this policy is required to report such circumstance to his or her supervisor or the Chief Accounting & Risk Officer. The Credit Union prohibits retaliation against any employee or officer for making a good faith report of actual or suspected violations of the Credit Union's code of conduct, laws, regulations, or other Credit Union policies, including this policy. A finding of retaliation against any such employee or officer may result in disciplinary action up to and including termination. Failure to promptly report known violations by others may also be deemed a violation of the Credit Union's code of conduct.
